ABOUT US

Since 1998

Asala started providing customers with the best building materials & timber of most kinds. Our main mission at Asala is to provide premium quality, and unique timber from around the world with honesty and expert knowledge to designers, contractors and wood enthusiasts.

We love the beauty, the diversity and adaptability of wood. Wood is our passion, and we hope to touch as many people as we can with its natural splendor. We are wood specialists, and we offer hardwood and softwood for a huge range of products. As we work with the best suppliers and manufacturers, you can be sure that we can meet your requirements. Our unique, innovative, automated system provides you with instant prices for bespoke and custom wood products, that meet your criteria ensuring competitive prices without you having to shop around.

VISION & MISSION

We aim to constantly provide better quality products and improve services that will lead to the standards and expectations of our community, our mission will be achieved through the commitment and dedication of our team and the support of the suppliers in which we work with. With service, comes quality, with quality comes satisfaction.

“reaching & Maintaining a leading position in the trade of timber” in Saudi Arabia
